ADVANTAGES OF THE CZECH REPUBLIC + CANADA DOUBLE DIPLOMA PROGRAM

Ability to save time: the student has a unique opportunity to obtain two Bachelor diplomas in 3 years! In addition, participant is spending his unforgettable student years in two different cities, countries, and even continents;

Efficient money investment: living and studying costs in the Czech Republic are significantly lower than in other European countries. In addition, with the one-time payment for a year of education in the University Canada West, the student receives a Bachelor's degree without paying for all three years of studies. A huge benefit is an opportunity to make a one-time full payment for the UCW and have a possibility to complete studies in one year or to extend the program for another academic year with no additional payments to the University Canada West;

Unique knowledge and experience: at the end of the program the student will obtain a European diploma from the CULS with a degree in Business Administration and a diploma from the UCW, which is one of the top 100 universities in Canada. UCW provides a high-quality education, cooperates with the world's business leaders and is affiliated with such associations as Global University Systems, Edu-Canada, ACBSP, British Columbia Council on Admission and Transfer. A student with European and Canadian degrees will always be in a high demand on the labor market and will build a successful career in any country of the world;

Languages development: the participant of the program will be able to master his English language. During his stay in the Czech Republic student can learn Czech language. All the students also will be able to learn German or French languages during the first year in CULS. As a result, at the end of the program, the participant will master three foreign languages! Such a language diversity will open new employment opportunities for the student and will be an excellent start to his professional career;

Unique opportunity to live and study in Prague and Vancouver!

Participant can fully enjoy the atmosphere of one of the most beautiful cities in Europe - Prague and to travel throughout the world. In addition, the student will be able to spend an unforgettable time in Vancouver and experience the culture of Canada;

Loyal entry requirements: in order to become a participant of this program, it is enough for a student to have a completed secondary education and a certificate IELTS 5.0;

Consideration of the requirements and needs of each student: the main goal of the program is to provide the student with the comfortable educational process. The participant of the program will have a unique opportunity to extend his studies in Canada for one more year without additional payment for University Canada West. After studying in Canada for two years, the student will also be able to officially work in the country for three years.

Czech Republic, Prague

The best place to study and live

The capital of the Czech Republic - Prague is considered one of the most famous and frequently visited cities in Europe. It is a fabulous city of art, music, museums, exquisite architecture, delicious food, and unforgettable emotions. In 1992, the city center of Prague was included into the UNESCO World Heritage List.

Currently, the Czech Republic attracts many students and young specialists from all over the world. It is a European country with a stable economy and low unemployment rate. Because of these factors, the Czech Republic is considered to be one of the best places to live.

In addition, Prague is the ideal place to start your professional career, because many international companies and business giants are located here. Moreover, the Czech Republic is recognized as one of the safest countries in Europe, so parents can be sure about the safety of their children.

Prague is an origin of the dynamic student life! Do not miss the opportunity to enjoy your unforgettable student years in the heart of Europe - Prague!

Canada, Vancouver

The best place to start building your career

Vancouver is repeatedly recognized as the best city in the world for the living! The combination of a pleasant climate, colorful nature, exquisite architecture and high economic indicators make this place ideal for living, studying and building a successful career.

Vancouver is a young and dynamic city. In this place, you have a unique opportunity to meet young and interesting people from all over the world, to enjoy the international atmosphere and to take advantage of all the opportunities, which are opened by this place!

Vancouver's sightings are famous all over the world. The most impressive of them are the bridge in Capilano, the Stanley Park Aquarium, Granville Island and many more. It is hard to describe in words all the beauties of this city. Participants of the program will be able to see all the beauty of the Vancouver by themselves!

Canada is the second largest country in the world, which is rapidly developing and currently is within top 10 developing countries. It is a place of adventures and various business possibilities!
