## ADVANTAGES OF THE DOUBLE DEGREE PROGRAM CZECH REPUBLIC + UNITED STATES OF AMERICA

■ The student gets a unique opportunity to get a European and American higher education in just three years while spending his best student years in two famous cities – Prague and San Francisco. A huge benefit is also the opportunity to make a one-time full payment for the Lincoln University and to have a possibility to complete studies in one year or to extend the program for another academic year with no additional payments to the Lincoln University;

■ The main advantage of the program is the ability to get not just two prestigious diplomas, but also high-quality education and valuable knowledge! Graduates of the Czech University of Life Sciences are highly appreciated not only in the Czech Republic but also in Europe! On the other hand, American education is considered one of the best in the world and graduates of American universities are always in demand in the labor market. The combination of European and American education will allow the student to gain unique knowledge and experience, to easily find a job in any country or to start their business;

■ At the end of the program, the student will receive two majors, which are effectively combined. During the education in the Czech Republic, the student will be able to have insights into the technical aspects of business administration and to learn the basics of economics and management. During the education at the Lincoln University, the student will be able to explore business from the practical side, to learn all the secrets and guidelines of running a successful enterprise. Diplomas in "Business Administration" and "Management and Entrepreneurship" are a unique combination that was created to train future professionals in the business field;

■ Participants have an opportunity to receive European and American education in just three years. This enables to reasonably save time and reduce living expenses. Living costs and tuition fees in the Czech Republic are rightfully considered affordable in comparison with other European countries. Additionally, during the education in the United States, the student has an opportunity to extend the program for another year without any additional charges from the Lincoln University. The student also is able to combine education with the work in the Czech Republic and the United States during the program. In Prague and San Francisco, there are always available vacancies for active students, who want to save some extra money;

■ The participant of the program can travel without any restrictions. While living in the Czech Republic, a student can actively travel and explore all the beauty of Europe. In addition, during the training in the United States, students can visit not only cities of California, such as Los Angeles, Santa Barbara and San Diego, but also to visit the east coast and famous destinations, such as New York, Washington, Boston, Miami, Hawaii, Las Vegas and other incredible places in the USA;

■ The student can take part in internships provided by universities. During the training at the CULS, the student can also take part in such exchange programs as Erasmus, Erasmus +, Erasmus Mundus and IAMONET. It is a great chance to get the experience of living in another country for a semester;

■ Admission requirements:  
- completed secondary education and school diploma  
- certificate IELTS 5.0.

## Prague, Czech Republic

The best place to study and live

It is hard to imagine a better place than Prague to spend unforgettable student years. This city is a harmonic combination of distinguished architecture, dynamic atmosphere, internationality and numerous places of interest. At the same time, the Czech Republic and its capital city Prague are considered to be safest in Europe, which is an important aspect when choosing a place of residence for a long period of time.

Additionally, the best universities in the Czech Republic and Europe are located in Prague. Living expenses and educational fees are very affordable compared to other European countries. In the same time, Czech diplomas are highly valued in Europe.

Despite the fact that Prague is a quiet and peaceful city, a wide variety of business opportunities is open here. Because of these and many other advantages, the Czech Republic attracts students from all over the world. Prague is a unique and breathtaking city. The historical center of Prague is listed in the UNESCO World Heritage List. Prague is a city where your dreams can become a reality; it is a combination of beauty and peacefulness with opportunities and dynamic atmosphere of the capital city!

## San Francisco, USA

The best place to build a career

San Francisco is among the biggest and most popular cities not only in California but also in the United States. This city stands on 43 hills. In ancient times, San Francisco attracted travelers and gold miners; now San Francisco is a desirable destination for tourists from all over the world. The main place of visit in the city is the Golden Gate Bridge, which is considered as one of the longest bridges in the world.

There are about a million people living in San Francisco, and another 7.5 million in the San Francisco Bay Area; it is not surprising that such a huge city offers many opportunities and perspectives for career and education. San Francisco is also considered a city of millionaires, many headquarters of worldwide famous corporations such as Twitter, Airbnb, Uber, North Face, BitTorrent and others are located here. It is not a surprise that San Francisco offers brilliant career prospects!

According to statistics, the average annual income per person in San Francisco is about \$ 50,000, while the poverty rate in the city remains rather low (11%). Life in San Francisco is a unique opportunity to enjoy a unique atmosphere and obtain an unforgettable experience of a new American culture!
