

## **GBSB Global Business School**

An Innovative Business School Awarding  
Internationally Recognized Degrees

GBSB Global Business School is a wonderful place in Spain for international students to study business from a global perspective and meet people from all over the world. Whether you choose to study at our **Barcelona, Madrid** or **Online** campus, obtain a high-quality education that will only be the beginning of your international career.

Don't take our word for it. Here is what our **accreditation, rankings, and partnerships** say about us.

**GBSB Global Business School is  
accredited internationally**

---

GBSB Global is **the only business school in Spain** with an **international accreditation from ASIC** (Accreditation Service for International Schools, Colleges and Universities), an educational standard that is:

- Recognized by the British Government's Home Office
- Approved by Ofsted, the Council for Higher Accreditation
- A member of the National Academic Recognition Information Center (NARIC)
- A member of the CHEA International Quality Group (CIQG) in the USA and is listed in their International Directory
- A member of the BQF (British Quality Foundation)
- An affiliate of ENQA (European Network for Quality Assurance)
- An institutional member of EDEN (European Distance and E-Learning Network)
- ASIC was assessed and met the requirements of ISO9001:2015 for the following scope of operations: "Accreditation for education institutions in the UK and worldwide".

**Several Master programs at GBSB Global** are accredited by ECBE (European Council for Business Education), the **leading accreditation organization in Europe** that helps to ensure that accredited members satisfy the requirements of the European Higher Education Area (EHEA) as set forth in the Bologna Process and other EU directives.

- The ECBE improves business students' career prospects by providing academic institutions with outstanding networking opportunities on an international platform
- ECBE's mission is directly in line with GBSB Global's developing outstanding, innovative programs which will help students to expand their skills, knowledge and professional experience, empowering them to thrive in today's dynamic and competitive global economy. ECBE supports institutions and invests in their future through lifelong learning and continuous growth
- While ECBE is headquartered in Europe, the organization promotes and supports the European methodology of education internationally and embraces the ideals and values embodied in "Bologna"

GBSB Global is accredited as ATHE (Awards for Training and Higher Education) centre, an OFQUAL regulated awarding organization in the UK **specialising in Management qualifications** with progression routes to a wide range of University degrees. These qualifications are also designed to provide learners with **enhanced job prospects** in a range of industries.

GBSB Global is a member  
of renown organizations

The Association to Advance Collegiate Schools of Business. AACSB International is a **global association of leaders in education and business** dedicated to supporting and advancing quality business education worldwide. Through membership, accreditation, research, thought leadership, professional development, and advocacy, AACSB partners with over 1,500 organizations, from more than 90 countries globally. Membership or participation in the Global Education Alliance does not imply accreditation.

GBSB Global is a member and Candidate\* for Accreditation with the Accreditation Council for Business Schools and Programs (ACBSP). ACBSP is a leading U.S. **specialized accreditation body for business education** supporting, celebrating, and rewarding excellence in teaching. The association embraces teaching excellence as one of its main virtues and emphasizes the importance of learning to students worldwide. ACBSP is recognized by the Council for Higher Education Accreditation (CHEA).

\*expected to become accredited by December 2019
